**Subject: Mountain View Corridor Environmental Impact Statement (EIS)
Request for Scoping Comments
Project No. SP-0067(3)0**

Ms. Wright:

The Federal Highway Administration (FHWA) and Federal Transit Administration (FTA), in cooperation with the Utah Department of Transportation (UDOT), Utah Transit Authority (UTA), Mountainland Association of Governments (MAG), and the Wasatch Front Regional Council (WFRC), are preparing an FIS on a proposal to address projected transportation demand in the western Salt Lake Valley south of I-80 and the western Utah Lake Valley north of Utah Lake.

A letter requesting comments was sent to your agency in April 2003. This letter serves as a reminder that a federal and state agency scoping meeting to discuss EIS methodologies will be held on Thursday, June 5, 2003, from 10:00 am to noon at the UDOT Region 2 Headquarters Milestone Conference Room (2010 South 2760 West, Salt Lake City). Your agency is invited to attend this meeting.

Written comments or questions concerning the Mountain View Corridor project and the EIS should be addressed to Vincent Izzo and should be received by June 30, 2003, at the following address:
